SOCIAL SECURITY HAS CHANGED!

THE 1965 AMENDMENTS
TO THE SOCIAL SECURITY LAW ADDED HEALTH
INSURANCE TO YOUR SOCIAL SECURITY.

HEALTH INSURANCE
(Generally Known As MEDICARE)
IS MADE UP OF TWO PARTS. . .

HOSPITAL BENEFITS
MEDICAL BENEFITS

Presenting.....

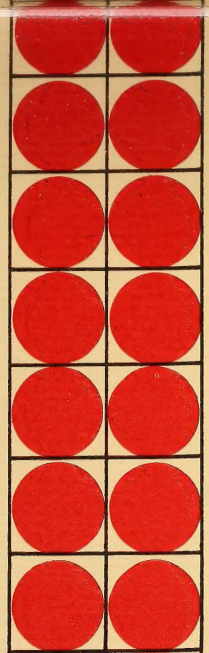
"MEDICARE"

. . .a ten-minute color film – animated in filmograph style – available in 35mm and 16mm from your SOCIAL SECURITY OFFICE.

The film, "Medicare," uses words and symbols to explain the new health insurance program for people 65 and over.

By using symbols. . . ■ a square for hospital insurance and

● a circle for medical insurance, the film graphically shows how each is a separate part of the health insurance



■ Hospital insurance

includes

- Inpatient hospital benefits
- Extended care benefits
- Home health benefits
- Outpatient hospital benefits

● Medical insurance

includes payments for

- Doctors' services
- Medical services and supplies
- Home health services

Nearly all Americans 65 or over have hospital insurance and 9 out of 10 have enrolled for medical insurance.
